

AED

The image features a central logo on a black rectangular background. The logo consists of a teal-colored triangle with a thick outline. An orange circle, also with a thick outline, is superimposed over the triangle, centered on its vertical axis. The letters 'AED' are written in a bold, magenta, sans-serif font across the middle of the triangle. The entire composition is framed by a white border with four registration marks (crosshairs) at the corners.
