EXPERIENCE

Freelance Graphic Designer

Freelance & Direct Clients | San Antonio, TX & Las Vegas, NV (Remote) | November 2018 - Present

- Completed 8+ projects across 7 clients including brand identity systems, print production, character illustration, and motion graphics
- Designed print-ready banner for Macro-Pro, Inc.; produced a multi-piece office poster series for Allegra, a San Antonio print company
- Created logo and banner packages for 2 content creators; developed virtual and print marketing materials for a D&D community group currently opening a bar in San Antonio
- Created character art and logo design for SECTION6, a WGAW-registered adult animated series pitch by X.A. Allister
- Currently designing a custom tattoo illustration; consistently delivering on brief, on time, and within client creative vision

Shift Supervisor

Starbucks | San Antonio, TX & Las Vegas, NV | April 2015 - Present

- Supervised teams of up to 30 across 7 store formats, managing real-time shift operations, scheduling, and escalations in high-volume environments
- Trained 10+ new team members, developing and delivering instruction across customer service standards, product preparation, and safety compliance
- Maintained consistent performance standards across shifting team compositions, adapting communication style to a diverse group of people
- Handled cash management, inventory, and opening/closing procedures with accuracy across 10 years of operational responsibility

EDUCATION

B.S. Graphic Information Technology

Arizona State University, Dean's College of Integrative Sciences & Arts | August 2018 - December 2024

Coursework spanning brand identity, typography, color theory, UX principles, digital imaging, motion graphics, and web development. Emphasis on translating visual concepts into production-ready digital and print assets.

AWARDS & RECOGNITION

- 5x National Junior Art Honor Society Medal - Awarded in national juried competition for excellence in painting, sculpture, and portfolio art
- B.S. Graphic Information Technology - Arizona State University, Dean's College of Integrative Sciences & Arts, December 2024
- Published Client Testimonial - Kurt Adamie / Macro-Pro, Inc.: "Avery did a great job on this project. They were very professional and delivered on time. The banner looks fantastic and I would definitely hire them again."
